

MARVEL

BUCKY
JAMES BARNES

SUPER SOLDIER SCOUT

After revealing an Order Marker on a Unique Soldier Hero's card you control and before taking a turn with that Soldier, if Bucky is within 6 clear sight spaces of that Soldier, you may take an immediate turn with Bucky. If Bucky does not attack during this turn, he may move two additional spaces. You may not take any additional turns with figures you control.

**MACHINE GUN
SPECIAL ATTACK**

Range 5. Attack 3.

If Bucky inflicts a wound with this special attack, he may attack again with this special attack. Bucky may continue attacking with this special attack until he does not inflict a wound. He may not attack the same figure more than once.
