

CONAN

BARRAGE OF BLADES
SPECIAL ATTACK
Range 1. Attack 4.
Instead of moving and attacking normally with Conan, you may move him up to 4 spaces. Conan can attack up to 3 times with this special attack at any point before, during, or after this move as long as he is on a space where he could end his movement.

BATTLE HARDENED
If there is at least 1 Wound Marker on this card, the most wounds Conan can receive from an attack is one.

CIMMERIAN CLIMBING
When counting spaces for Conan's normal movement, elevation changes of up to 1 level count as one space. If Conan uses his normal move to move two or fewer spaces, one elevation change of up to 15 levels may count as one space. You may ignore Conan's height of 5 when climbing.
