

C3G EXCLUSIVE BATTLEFIELD

COUNTRY ROAD BATTLEFIELD

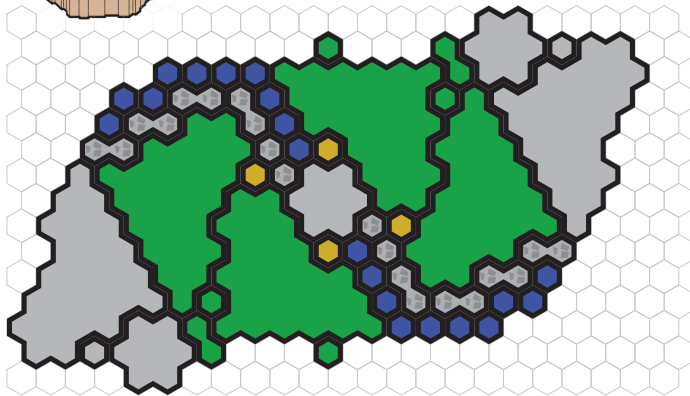

Required Sets:
 Rise of the Valkyrie™ Master Set,
 Road through the Forgotten Forest™

Far on the outskirts of some nameless town, far from any city, sits an old road beneath a bridge. The bridge crosses no water, the road leads to nowhere, and nothing but trees sit for miles. An odd sense of history weighs here. What was here, in some bygone era, on this old country road? And why do mighty heroes and menacing villains still wage battle over it today?
