APOKOLIPS

UNIQUE HERO  
NEW GOD  
TORMENTOR  
SADISTIC  
MEDIUM 5

### APOKOLIPTIAN TORTURE

If Desaad rolls all skulls for a normal attack, the defender may remove an unrevealed Order Marker from their card. If they do not, they take 2 wounds. If they do, view that Order Marker. If it is numbered, place it, unrevealed, on any New God card on your team. You may reveal it normally on your turn instead of another Order Marker of the same number. During clean up, return the Order Marker.

### DARKSEID'S ELITE

Once per turn and during clean up, after an Apokolips faction or Invader figure on your team rolls combat dice, you may reroll 1 die that is not a skull.
