

**GREAT EVERGREEN TREE****FALLING TREE**

If Great Evergreen Tree is defeated during your turn, before removing it, choose 3 spaces in a straight line from Great Evergreen Tree. Each non-Huge figure that is on or within 1 space of that line whose base is not higher than the height of this tree takes 1 wound.

**HUGE 15**

•Nature •Tree

**UPROOTED TREE****HINDERING TERRAIN 1**

All figures may move through this figure, counting each space as +1 Move.

**UPROOTED**

When a figure with the Tree keyword is removed from the battlefield, replace it with Uprooted Tree.

**LARGE 2**

•Nature

**TREE OF LIFE****LIFE AURA**

Figures with the Undead keyword adjacent to Tree of Life have -1 Defense. Figures without the Undead keyword adjacent to Tree of Life have +1 Defense. When Tree of Life is defeated, replace it with *Tree of Death*.

**HUGE 14**

•Nature •Tree

**TREE OF DEATH****DEATH AURA**

Figures with the Undead keyword adjacent to Tree of Death have +1 Defense. Figures without the Undead keyword adjacent to Tree of Death have -1 Defense.

**HUGE 11**

•Undead •Tree

**DEBRIS****UNSTEADY GROUND**

A figure occupying the space on top of Debris has -2 Defense.

**RUBBLE**

After a structure object or object with the Rubble keyword is defeated, replace it with Debris, if possible.

**MEDIUM 1**

•Inorganic

**SMALL ROCK OUTCROP****CRUMBLE**

When this Small Rock Outcrop is defeated, roll 1 damage die against each figure adjacent to it.

**LARGE 7**

•Inorganic •Rubble

**TOXIC WASTE BARREL****CHEMICAL BURN**

When Toxic Waste Barrel takes 1+ wounds, roll 1 Toxic damage die against each figure adjacent to the Barrel.

**MEDIUM 2**

•Inorganic

**SATELLITE DISH****GLOBAL POSITIONING**

If you control 1+ Unique Heroes adjacent to the Satellite Dish and no opponent's figures are adjacent to it, you may add X to your initiative. If you win initiative, you may maneuver up to X figures you control that have not moved yet this round up to 4 spaces each with Stealth. X is the remaining Life of the Satellite Dish.
