

BRAINIAC 5

QUERL DOX

CHAMPIONS OF THE PAST

At the start of the game, you may choose a Unique Champion Hero you control that would begin the game on the battlefield and instead place the figure on this card. At the start of the round, you may place the chosen figure on an empty space adjacent to a figure you control. For the entire game, while that figure has a revealed Order Marker on its card, that figure has the class of Legionnaire in addition to what is listed on its card.

CONTINGENCY PLAN

While Brainiac 5 is in play, when an Army Card you control has all of its figures destroyed, you may immediately remove any unrevealed Order Markers from that card and place them on any other card you control.
