

CHEETAH
PRISCILLA RICH

STEALTH LEAP 8

Instead of her normal move, Cheetah may move up to 3 spaces with Stealth Leap. When moving with Stealth Leap, Cheetah has the Flying special power, but may not move up or down more than 8 levels in a single leap, and will not take any leaving engagement attacks when she starts to leap.

POUNCE 1

If Cheetah used her Stealth Leap special power this turn and attacks a figure she was not engaged with at the start of the turn, you may add 1 die to her normal attack against that figure this turn.

DEFENSIVE AGILITY

When you roll defense dice for Cheetah against a normal attack from an adjacent figure, one shield will block all damage.
