JUSTICE, LIKE LIGHTNING...

After revealing a numbered Order Marker on any Army Card you control, instead of taking a turn with that card, you may reveal an "X" Order Marker on this card and take a turn with any two Unique Charlatans you control. Citizen V may be one of the chosen Charlatans.

CHARLATAN COORDINATION

While there is a revealed Order Marker on this card, whenever the 20-sided die is rolled for a special power on the Army Card of a Charlatan you control within 6 clear sight spaces of Citizen V, you may add or subtract 1 from the roll.

SWORDPLAY

If Citizen V attacks an adjacent figure with his normal attack and at least one skull is rolled, he may attack an adjacent figure again. He may continue attacking adjacent figures, rolling 1 fewer attack die for each subsequent attack, until you fail to roll a skull.
