**TRIGGER MAN**

After attacking a non-adjacent figure with Crossbones' normal attack, if you did not reveal an Order Marker on this card this turn, he may attack one additional time.

**HUMAN SHIELD 12**

Anytime Crossbones rolls defense against an attack and would receive 1 or more wounds, you may immediately choose an adjacent small or medium figure without the Super Strength special power that is not the attacking figure.

Roll the 20-sided die, adding 5 to the roll for each of the following that is true:

- You control the chosen figure.
- The chosen figure is common.

If you roll 12 or higher, ignore 1 wound inflicted on Crossbones and instead inflict a wound on the chosen figure.
