JEAN GREY

MUTANT TELEPATHIC EMPATHY

Jean Grey has the class of Telepath in addition to what is listed on this card. While Jean Grey is in play, all Mutants and Telepaths you control are considered in clear sight of each other. When a Mutant or Telepath in your army receives one or more wounds or is destroyed, you may immediately move any unrevealed Order Markers from that figure's card onto any other Mutant or Telepath card you control, or move any unrevealed Order Markers from Mutant or Telepath cards you control onto that Mutant or Telepath's card.

PSYCHIC PAIN SPECIAL ATTACK

Range 3 + Special. Attack 3 + Special. Jean Grey does not need clear sight to attack with this special attack and may attack non-adjacent figures when she is engaged. When attacking a figure that does not have the Mental Shield special power and is not a destructible object, add 1 to the Range and Attack numbers of this special attack for each Rebel or Telepath you control with one or more wounds. If you roll 3 or more additional dice when attacking with this special attack, all figures adjacent to the defending figure are also affected by this special attack. Roll attack dice once for all affected figures.
