

**MARVEL**

## MANTIS

### EMPATHETIC LINK

If no Unique Heroes in your army have the same species or personality:

- an opponent may never remove or rearrange Order Markers on Unique Hero cards you control, and
- at the beginning of your turn, you may move an unrevealed Order Marker from this card to any Unique Hero card in your army.

### NERVE PUNCH

When attacking an opponent's adjacent figure with a normal attack, add one automatic skull to whatever is rolled. If Mantis inflicts one or more wounds on an adjacent Unique Hero with a normal attack, you may immediately remove one unrevealed Order Marker at random from the defending figure's Army Card.

### ORGANIC HEALING

After taking a turn with Mantis, you may roll the 20-sided die. If you roll 12 or higher, remove one Wound Marker from this card or the card of an adjacent Flora Colossus or Plant figure.
