

MARVEL

PLUTO

HADES' HELM

Start the game with the Glyph of Helm of Invisibility on this card. If Pluto is equipped with the Glyph of Helm of Invisibility, he cannot be targeted by opponents' non-adjacent figures for any attacks or special powers that require clear sight.

LORD OF HADES

After Pluto destroys a figure with his normal attack, you may place the destroyed figure on this Army Card. When attacking or defending with Pluto, before rolling attack or defense dice, you may remove any number of figures from this Army Card and roll an additional die for each figure removed.

OLYMPIAN FORTITUDE

Whenever Pluto would be destroyed or receives enough wounds to be destroyed in any way except by this special power, he instead receives two wounds.
