## SHADOWCAT

KITTY PRYDE

### PHASE TOUCH

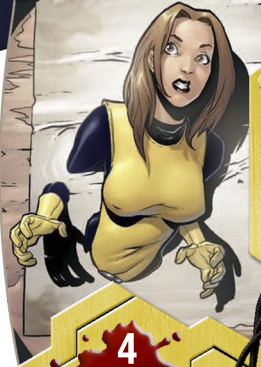

If Shadowcat is adjacent to only one friendly figure, that friendly figure cannot be targeted by opponents' non-adjacent figures for any attacks or for any opponents' special powers that require clear sight.

### PHASE FISTS

Androids roll 2 fewer defense dice against Shadowcat's normal attack.

### INTANGIBILITY

Shadowcat can move through all figures and obstacles such as ruins, and is never attacked when leaving an engagement. Shadowcat cannot be targeted by opponents' non-adjacent figures for any attacks or for any opponents' special powers that require clear sight.
