RX ARSENAL SPECIAL ATTACK

Range 5 + Special. Attack 3.
Before using this special attack,
choose one effect for this turn:

- add 1 automatic skull to your attack roll and all figures adjacent to the targeted figure are also affected by this special attack;
- after attacking with this special attack, you may attack two additional times with this special attack; or
- add 2 to this special attack's range and all skulls in your attack roll count as 1 additional hit.

LETHAL SLASH

When attacking an adjacent figure with the Gundam's normal attack, if there are at least two blanks in your attack roll, the defending figure rolls 4 fewer defense dice.
