EXPERT CLIMBING

When moving up levels of height to move onto a space with the Spider-Mobile, do not count spaces for the first two levels and only count one space for each two levels after the first two. You may ignore the Spider-Mobile's height of 4 when climbing. The Spider-Mobile never takes falling damage or major falling damage.

BUILT-IN WEB-SHOOTERS 14

While you control the Spider-Mobile, when an opponent would begin the movement of a figure adjacent to the Spider-Mobile, you may roll the 20-sided die. If you roll 14 or higher, that figure may not move.
