

## TAROT: TEMPERANCE

UNIQUE SPELL

25

POINTS

You may not draft any other Tarot Spells unless you draft a figure with the Tarot Deck special power. Before placing Order Markers for the round, you may cast this spell. For the rest of the round, after any Unique Hero you control takes a turn, if that Hero did not move or attack and has not had a Wound Marker removed from its card by Temperance this round, you may remove a Wound Marker from that figure's card.
