

C3G EXCLUSIVE BATTLEFIELD

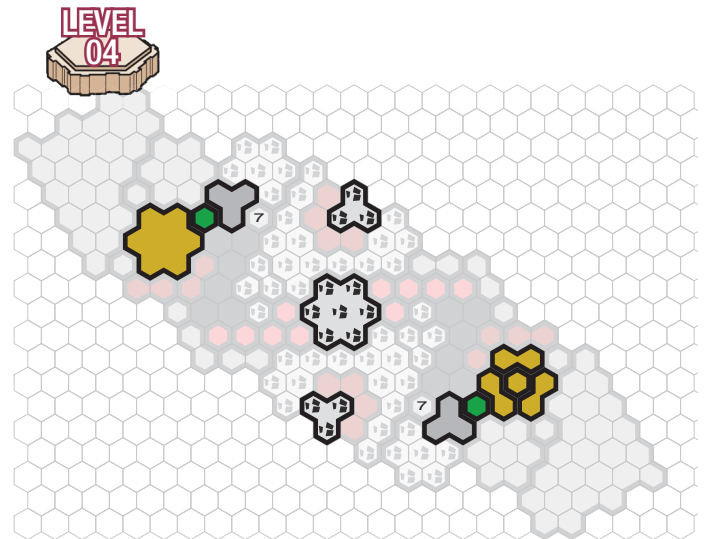

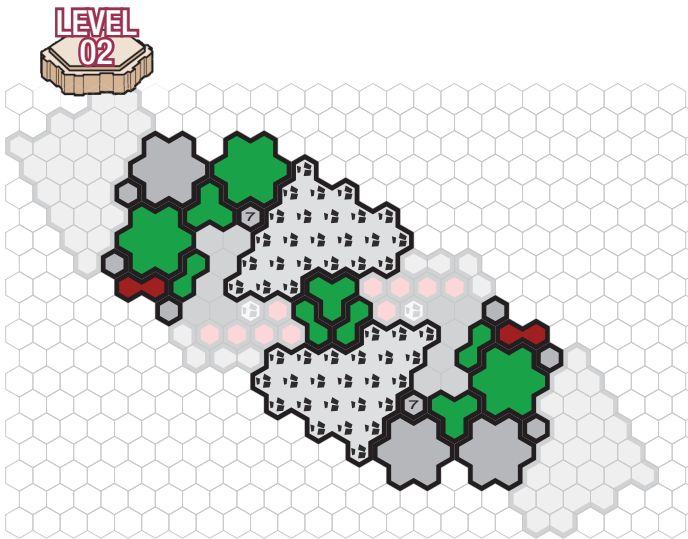

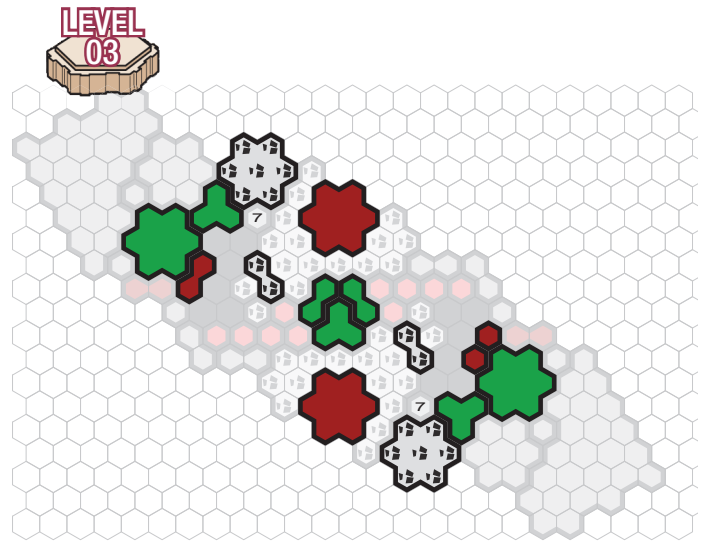

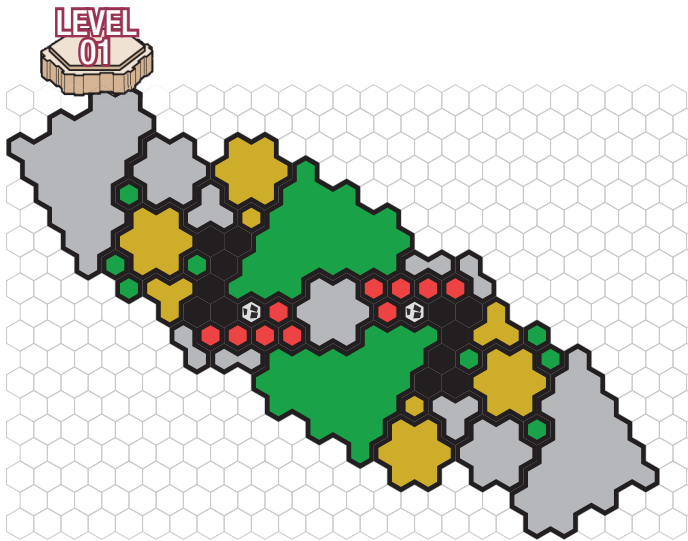

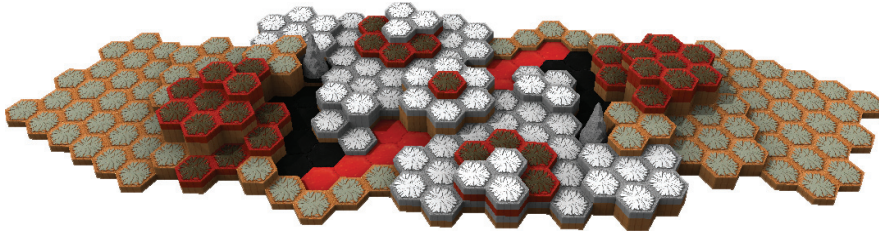

DARK DIMENSION BATTLEFIELD

Required Sets:

Rise of the Valkyrie™ Master Set,
Battle for the Underdark™ Master Set,
Set, Volcarren Wasteland™

Beyond the boundaries of our dimension lie the Splinter Realms, pocket universes ruled by the likes of Mephisto, Molgotha, Hela, and more. Home to the Dread Dormammu, the Dark Dimension is one of these hellish planes. With its pits of fire and brimstone, its hanging stalactites and cold stone dungeons, its dark energy pervading every inch, only the hardest of mystics can hope to survive there for long.
