Place 6 Marrden Nagrubs on the yellow starting zones to represent Aliens. At the end of each round each player rolls the D20 rerole any ties. The winner may move and attack with any 3 Marrden Nagrubs. Nagrubs may not attack other Nagrubs. Players can attack nagrubs but at the end of the round before the D20 is rolled (see above) destroyed Nagrubs are replaces on the yellow Spaces. If the yellow spaces are occupied the player whose figure is not in that space places the Nagrub in any space next to the hive.
