

C3G EXCLUSIVE BATTLEFIELD

GRUNDY'S GRAVE BATTLEFIELD

Required Sets:
 Swarm of the Marro™ Master Set,
 Marvel: The Conflict Begins™ Master Set,
 2 Road to the Forgotten Forest

In the thickly forested rural lands outside of Gotham City a sprawling marsh is hidden in the mist. The green fog the swamp exhales adds an air of foreboding to the surroundings, chilling many a traveler to the bone and sending him on his way. Perhaps that's a good thing though as, according to legend, this swamp is the not so final resting place of something terrifying indeed.
