UNDEAD ALLIANCE

-Winning conditions: The first player to destroy all of the other player's figures wins.

-Special rules: Solomon Grundy's figure starts on his Army Card at the beginning of the game and may only be placed on the map if Player 2 rolls successfully for Born on a Monday. Instead of placing a resurrected Solomon Grundy normally, Solomon Grundy may be placed on any unoccupied Swamp Water tile.

-Player 1 brings a pre-made army of Black Canary, Green Arrow, Batman, Superman, and Hawkgirl.

-Player 2 brings a pre-made army of one squad of Street Thugs, Catwoman, Two-Face, Joker, and Solomon Grundy.

-Setup: Before the game begins, Player 2 may place the Kryptonite Glyph on any Unique Hero card Player 2 controls. Shuffle the Reinforcement Glyph, Smilax Glyph, Leadership Glyph and the Team Up Glyph and place them randomly face down on the spots designated on the map. Player one begins in the blue start zone and player two begins in the red start zone.

Be sure to reference the special rules for Equipment Glyphs on page X of *The World's Finest Maps and Scenarios* booklet.
