

# ABANDONED ECHO BASE BATTLEFIELD

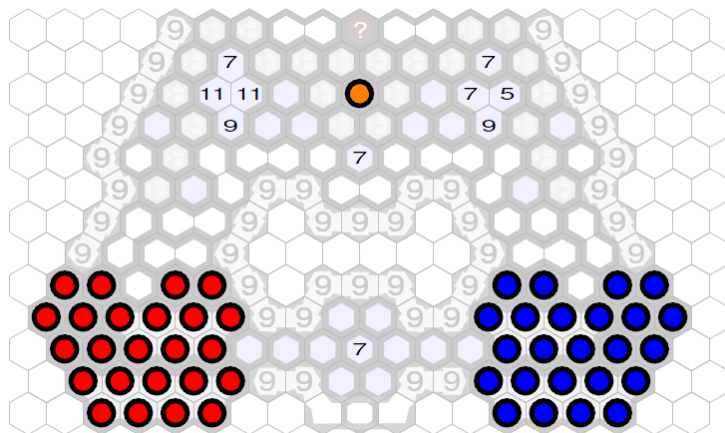

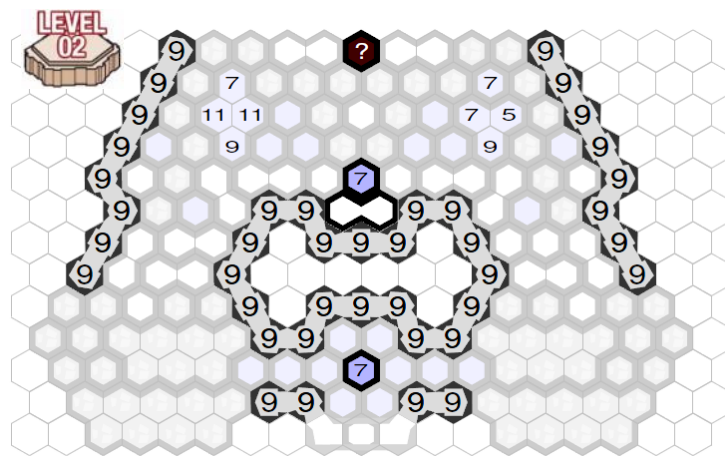

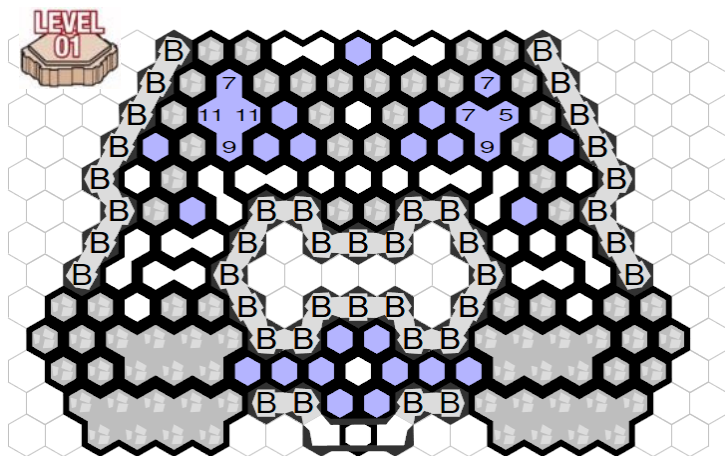

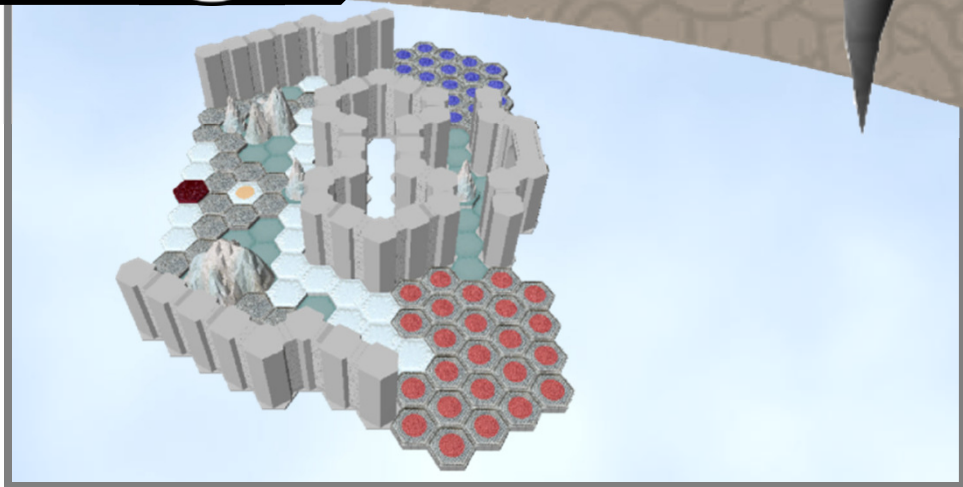

## Abandoned Echo Base Battlefield

(Uses 1x Thaelenk Tundra and 2x FotA sets)

Original map design by El T

*In the Rebel Alliance's haste to flee the clutches of the Galactic Empire on Hoth, they were forced to abandon some of their equipment and supplies. A year after the Battle of Hoth, snow and ice have begun to reclaim the vacant facility. Scavengers have frequented the abandoned base, searching for any equipment or tech that remained after the Rebel evacuation.*

## Abandoned Echo Base Scenario

(2 players) (Competitive Map)

**Goals:** Destroy all of your opponent's figures.

**Setup:** Place the Bacta Tank Destructible Object on the orange starting zone space. Place a random Treasure Glyph symbol side up on the glyph location on the battlefield.

Each player drafts or brings pre-made 500 point armies. One player starts in the blue starting zone; the other player starts in the red starting zone.

**Special Rules:** Slippery Ice and/or Heavy Snow rules are optional for this scenario.

**Victory Conditions:** When the other side has no figures left on the battlefield, you win.
