

XUALTIACA FIRE ANTS

AQUILLA

SWARMING

After moving and before attacking with Xualtiaca Fire Ants, count the number of engaged Xualtiaca Fire Ants you control. You may move this number of unengaged Xualtiaca Fire Ants you control that you did not move this turn up to 3 spaces each.

SWARM STING 18

Instead of attacking, Xualtiaca Fire Ants may use Swarm Sting 18. Once for each opponent's figure adjacent to at least one Xualtiaca Fire Ant you control, roll the 20-sided die for stinging damage. Add 1 to your die roll for each Xualtiaca Fire Ant you control engaged with that figure. If you roll an 18 or higher, that figure receives one wound. If the wound was inflicted and the figure was not destroyed, roll again for stinging damage for that figure. Swarm Sting does not affect destructible objects.

CLIMB X3

When moving up or down levels of terrain, Xualtiaca Fire Ants may triple their height.
